

ZULULAMI

LUXURY COASTAL ESTATE

MOYANA

— ZULULAMI —

Translated to mean 'light breeze', Moyana offers 19 modern apartments boasting spectacular East-facing vistas of the rehabilitated dam and wetlands that stretch across to the distant horizon.

Moyana consists of 2 and 3-bedroom apartments that have been crafted to invite the natural surrounds indoors.

THE RESERVE

— ZULULAMI —

Set within the prime position of Zululami estate, The Reserve presents contemporary, modern living amidst nature.

This sectional title opportunity offers luxurious apartment living with exquisite views of the ocean, revitalised wetlands, dams and indigenous surrounds. With 3 types of apartments to choose from, all equally spacious, the finishes are inspired by nature, while the open-plan, sleek interiors welcome the outdoors in.

Aura

— ZULULAMI —

Presenting 44 apartments, consisting of spacious 2 and 3-bedroom options, Aura is surrounded by indigenous nature and picturesque dams.

The serene lifestyle is characterised by nature-inspired open-plan living, where you can enjoy the chirping sounds of birdlife and exquisite views of the revitalised dams.

A new precedent in luxury coastal living

Consisting of 350 stands, Zululami's Phase 1 caught the attention of locals and investors from the very start. Zululami has focused on creating a sustainable community by rehabilitating the surrounds through the indigenous landscaping and revitalising wetlands and forests.

The architecture has used natural materials and complimentary colour palettes to enhance the sub-tropical landscape.
