

# EVERY PATH LEADS BACK TO THE OCEAN

Architecturally designed home packages are now available at **Kenton Eco Estate** – a secure, eco-conscious coastal sanctuary where sea, sun, and soul meet.

Brought to you by **Collins Residential**, the team behind Seaton Estate and Club Med Beach & Safari, in partnership with **Pam Golding Properties**. This limited collection of bespoke homes redefines barefoot luxury on the Sunshine Coast, where nature, design, and community live in perfect harmony.

Residents enjoy:

- Seven architecturally designed coastal homes
- Turnkey developer-completed
- 9-12 month build period
- Infrastructure-ready
- Guaranteed, secure final price
- Build from anywhere - We manage everything

Each home is positioned to capture the beauty of the dunes, bush, or ocean, blending modern design with the tranquillity of nature.

- Two freshwater dams
- 230 hectares of protected nature reserve
- Walking and cycling trails through bush and dunes
- Private beach access
- Abundant wildlife
- 320 days of sunshine each year
